

Gideon Nana Kwame Nyarko

(233)256643105 | nkgnnyarko@gmail.com | Accra, Ghana | nkgnnyarko.netlify.app

Summary

Highly motivated and adaptable Computer Engineering student with a diverse skill set encompassing software development, IT support, project management, and creative design. Proven ability to learn new technologies quickly, solve complex problems, and contribute effectively in team environments. Eager to apply a blend of technical expertise, leadership, and creative thinking to impactful roles.

Education

Kwame Nkrumah University of Science and Technology

BSC IN COMPUTER ENGINEERING

Kumasi, Ghana

Jan 2021 - Sep 2025

Skills

- **Software Development:** React Native, Node.js, Express.js, FastAPI (Python), HTML, CSS, JavaScript, TypeScript, Python, C, C++, RESTful APIs, JWT Authentication, PostgreSQL, SQLite.
- **IT & Technical Support:** Troubleshooting, Network Configuration, System Maintenance, Data Security, Wireless Devices.
- **Creative & Design:** Graphic Design, UI/UX Design, Adobe Photoshop, Adobe Lightroom, Adobe After Effects, Figma, Photography, Image Editing.
- **Project Management & Leadership:** Project Planning, Team Coordination, Leadership, Problem-Solving, Critical Thinking, Teamwork.
- **Communication & Public Engagement:** Public Relations, Publicity, Effective Communication, Technical Documentation.
- **Tools:** Git, Axios, Expo Router, Microsoft Office Suite.

Work Experience

Publicity Director | NUBS KNUST

Kumasi Metropolitan District, Ashanti Region, Ghana

Jul 2024 - Present

- Led visual content creation, including graphic design and photography, and managed publicity campaigns to enhance organizational engagement.
- Utilized Adobe Creative Suite (Photoshop, Lightroom, After Effects) for advanced image and video editing.

Publicity Assistant | SCC KNUST

Kumasi Metropolitan District, Ashanti Region, Ghana

Jul 2024 - Present

- Assisted in developing and executing publicity strategies, contributing to content creation and public engagement efforts.

Graphic Designer | ACES KNUST

Kumasi, Ashanti Region, Ghana (Remote)

Jan 2023 - Jan 2024

- Designed various graphic materials and applied UI/UX principles, contributing to visual branding and communication.

Projects Head | ACES KNUST

Kumasi, Ashanti Region, Ghana

Jan 2023 - Jan 2024

- Demonstrated strong **Leadership and Project Management** skills in overseeing various technical and organizational initiatives.

Information Technology Intern | Electricity Company of Ghana Limited

Accra, Greater Accra Region

Oct 2025 - Jan 2025

- Supported staff with day-to-day technology and engineering needs, including email account setup and wireless device configuration.
- Ensured compliance with industry standards when handling sensitive customer data.

IT TECHNICIAN INTERN | Community Water and Sanitation Agency

Dzorwulu, Greater Accra Region

Sep 2023 - Dec 2023

- Provided technical support to staff and set up wireless routers and Access Points to ensure stable network connectivity.

IT INTERN | Community Water and Sanitation Agency

Dzorwulu, Greater Accra Region

Sep 2022 - Dec 2022

- Performed troubleshooting on various software applications and systems, maintained accurate records, and handled IT support tasks.

Projects

- **UniConnect** (A Campus Mesh Based Communication Application) - [GitHub](#)
 - Developed a full-stack real-time chat application with a **React Native frontend** and a **FastAPI (Python) backend**.
 - Implemented features such as direct messaging, group chats, **multimedia sharing (images, videos, audio, documents, PDFs, voice notes)**, and **WebRTC-based video calls**.
 - Managed data persistence with **SQLite** and designed robust RESTful APIs.
- **KNUST Marketplace** (A Campus-Based Digital Platform for Student-to-Student Commerce)
 - Served as a **Backend Engineer** in a 7-member team, developing server-side logic and APIs for user authentication, product listings, and order management.
 - Ensured backend performance, security, and scalability for a critical campus platform.
- **Taskin** (A Task Management App for Android) - [GitHub](#)
 - Designed and implemented a mobile task management app, handling both frontend (React Native) and backend (Node.js, Express.js, PostgreSQL) development.
- **Health Nexus** (A Web App for Health and Wellness Management) - [GitHub](#)
 - Developed a web application using HTML, EJS, CSS, and JavaScript, focusing on responsive design and user-friendly interfaces.
- **Counterr** (A Multi-Language App that uses Image Recognition and Speech-To-Text to analyze word frequency)
 - Developed a multi-language app with image recognition and speech-to-text features using Python and PyQt5.

Awards and Certifications

- **AWS Academy Graduate** - AWS Academy Data Center Technician (March 2025)
- **AWS Academy Graduate** - AWS Academy Data Engineering (April 2025)
- **Cisco Networking Academy** - Computer Hardware Basic (April 2025)
- **Cisco Networking Academy** - Introduction to Modern AI (April 2025)
- **AWS Academy Graduate** - AWS Academy Cloud Foundations (March 2025)
- **Cisco Networking Academy** - Introduction to Data Science (August 2025)
